Tonne means the Metric tonne of 1000 kgs .

GENERAL CONDITIONS

1. **REGULATIONS :-**

All users of the Port are subject to Port Regulations .

2. **INFORMATION :-**

Inquiries on matters relating to rates , rules and condition contained in this tariff should be addressed to the attention of :-

The General Manager , Sea Port Corporation , Port Sudan .

3. **CONTROL OVER FACILITIES :-**

The Sea Port Corporation reserves the absolute right to the use of the facilities it operates permission for the thereof must be obtained from the Port Authority .

4. **CONSENT TO THE TERMS OF THE TARIFF :-**

A request for services under the jurisdiction of the Port Authority shall constitute a consent to the terms and conditions of this Tariff and evidence an agreement on the part of all ships , their owners agents and operators , and all other parties requesting such services , pay all applicable charges and be governed by all rules and conditions published herein .

5. **GENERAL APPLICATION :-**

The charges rules and conditions published in this tariff apply equally to all users of the Port and the charges shall be assessed and collected by the Port Authority on all traffic moving via facilities owned or operated by or in connection with the port and shall in no way include transport outside port limits .

6. **ASSESSMENT OF CHARGES :-**

Charges expressed as being assessed on a ship are assessed on the ship , its owner , agents and operators who will be held jointly and severally and liable for payment thereof .

7. **MEASUREMENTS :-**

The Port Authority reserves the right to make any measurements it deems necessary for the determination of unit size on which charges under this tariff are based and to use the units so determined as the basis for charges .

8. **COLLECTION IN ADVANCE :-**

The Port Authority reserves the right to estimate and collect in advance all charges which might become payable under this tariff . Use of any services may be denied until such advance payment is made , or satisfactory security or guarantee accepted by the Port Authority .

9. **PAYMENT OF INVOICES :-**

Charges against ships are payable in acceptable foreign currency .

All invoices are rendered in strict accordance with this tariff and are due on presentation .

Failure to pay within 30 days shall result in the placing of the parties responsible on the delinquent list

10. **DELIQUENT LIST**

Parties placed on the delinquent list may be denied further use of Port services until charges due shall have been paid .

11. **SPECIAL SERVICES :-**

Special services , not elsewhere provided for in this tariff including , the removal of materials referred to in Port regulations may be arranged subject to the approval of and terms set out by the Port Authority .

12. **WORKING HOURS :-**

Normal working hours .

The normal working hours of the Port are from 07.00 hours to 15.00 hours other than on Fridays and Port Holidays as listed in Port regulation or specially declared.

13.NOTICE AND CANCELLATION :-

(a) Services of Pilots , tugs and line gangs are subject to one hour's notice when ordering or canceling .

(b) Services of Labour and Equipment's , As notified by the Port Authority from time to time .

14.RESTRICTIONS ON CERTAIN GOODS :-

Port services will not be provided for dangerous goods or goods of an objectionable nature or uncertain value except under advance arrangements with the Port Authority and in accordance with Port Regulations .

15.REMOVAL OF OBJECTIONABLE CARGO :-

The Port Authority reserves the right to move cargo other material which in judgements is liable damage other property or injure persons to an other location at the risk and expenses of the owner .

16.REMOVAL OF GOODS FROM QUAY :-

(a) Any goods deposited on the quay for which no instruction are received by the Port Authority may be removed to point of rest and charged for at the rates applicable to overlanded cargo .

(b) Direct Delivery and Export Cargo remaining on the quay at the end of 7 hours after the end of the shift during which it arrived from a ship , or during which the ship for which it was destined sails , therefore ceases to qualify as direct delivery cargo and may be removed by the Port Authority and there After delivered to the consignee or consignor , handling and storage charges being then assessed as for cargo general or re delivery to the quay , handling and storage charges being assessed then as transshipment cargo so manifested .

(c) Overstowed Cargo , remaining on the quay at the end of 48 hours after the time of handling therefore ceases to qualify as overstowed cargo and may be removed by the Port Authority and redelivered to the quay for re-loading handling and storage charges being assessed as for transshipment cargo not so manifested , in place of those applicable to recovered from other parties .

17.UNIDENTIFIED CARGO :-

When cargo is not at the time of landing identified on the ship's Manifest , the ship shall be liable for all Port charges incurred by such cargo so far as these are not recovered from other parties

18.INSURANCE :-

The charges published in this tariff do not include any expenses of insurance on cargo nor will such insurance will be effected by the Port Authority .

19.LIABILITY OF DAMAGE :-

Port users will be held responsible for all damage suffered by the Sea Port Corporation for their use of Port services .

The Port Authority reserves the right to repair contract for same or otherwise cause to be repaired any and all physical damage and bill the parties responsible (after having given the such parties the opportunity to inspect such damage , unless urgency of repair precludes such inspection) .

20.WAREHOUSING :-

The Port does not accept goods for warehousing and all goods left in the port after the expiry of free time be charged the approximate storage rates .

STANDARD TERMS

APPLICABLE TO ALL CHARGES

1. **LIMITS :-**

All charges specified in this Tariff are for services performed within Port Limits . Terms for services to be performed outside Port Limits may be quoted for at the discretion of the Port Authority.

2. **MEASUREMENTS :-**

Where a rate is applied to a unit of measure any fraction of such unit shall be treated as a whole unit .

3. **MINIMUM CHARGE :-**

For any one item of charge there will be assessed a minimum of 5000 SDG .

4. **MINOR CORRECTION :-**

No correction to a charge will be made when the effect would be less than 1000 dinar .

5. **HIRE OF EQUIPMENT :-**

Hire of equipment includes the associated operating staff, and in the case of cargo handling equipment the necessary labour gangs to deliver goods to or receive them the equipment , but not to handle goods between the equipment and consignee's transport .

6. **PERIOD OF CHARGES :-**

Except where specifically provided otherwise charges for services assessed according to the duration of use shall commence at the time for which such service is requested and allocated, there having being no valid cancellation and the services being then available charges shall cease at the time for release of Port Staff , equipment or facilities notified by the Port Authority when making the allocation . Or. If no such time is notified then at the earlier expiration of reasonable notice by the Port Authority , actual release of the staff equipment and facilities or following one continuous hour without use and without notification of cancellation or continued requirement , by withdrawal of the service by the Port Authority .

7. **DETENTION WHERE APPLIED :-**

For each complete half hour of detention there will be assessed the charges that would have applied for 1 hour use of the services or , when the charges is (per operation) then for the performance of that operation .
